Great. I will have my AA Janet Smith coordinate this as soon as possible.

Don

Thank you for speaking with Peggy regarding our discussion earlier today. I can be available any day and any time this week for the teleconference. I have copied Joe Bianchi on this email and he has indicated that he is available tomorrow afternoon or Friday. Please let us know what works best for everyone and we will plan accordingly.

Carolyn and Brad,

I spoke with my Assistant Commissioner, Peggy Dorsey, regarding your concern that we coordinate the investigations that are done with regard to the former Amphenol facility. She agreed that a meeting (or a conference call, given everyone's schedule) among the three groups would go a long way toward ensuring the work that is done here is of good quality and meets all of our needs. With the work that IDEM has proposed to undertake, Peggy suggests we do this soon, hopefully yet this week. Brad, please extend an invitation to Joe Bianchi to participate, if he wishes.

Thank you,
 Don
